## Independent Auditors' Report

The Board of Directors  
Lighthouse Central Florida, Inc.:

We have audited the accompanying statements of financial position of Lighthouse Central Florida, Inc. (a nonprofit organization) as of September 30, 2007 and 2006, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of Lighthouse Central Florida, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lighthouse Central Florida, Inc. as of September 30, 2007 and 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 27, 2007 on our consideration of Lighthouse Central Florida, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Lighthouse Central Florida, Inc. taken as a whole. The accompanying Schedule of Expenditures of Federal Awards and State financial assistance is presented for the purpose of additional analysis as required by U.S. Office of Management and Budget, Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

September 30, 2007 and 2006

(1) **Organization and Summary of Significant Accounting Policies**

(a) **Organization**

Lighthouse Central Florida, Inc. was organized in Florida in 1983 as a nonprofit organization. The corporation is organized exclusively for charitable purposes to further the interest of visually impaired and multi-impaired persons by supporting a community program for visually impaired and multi-impaired persons. Lighthouse Central Florida, Inc., can solicit, receive; hold and disperse gifts, bequests, and other funds from individuals, trust, corporations, foundations, or other organizations for the purpose of Lighthouse Central Florida, Inc.; conduct fund raising campaigns; and raise money and gifts.

(b) **Basis of Presentation**

Financial statement presentation follows the recommendations of the Financial Accounting Standards ("SFAS") No. 117, *Financial Statements of Not-for-Profit Organizations*.

Under SFAS No. 117, net assets and revenue, support, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- ◆ Unrestricted net assets---Net assets that are not subject to donor-imposed stipulations.
- ◆ Temporarily restricted net assets---Cash and other assets if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets (as defined above) and reported in the statement of activities as "Net assets released from restrictions". If a restriction is fulfilled in the same time period in which the support is received, Lighthouse Central Florida, Inc. reports the support as unrestricted. Temporarily restricted net assets at September 30, 2006 consisted primarily of funds received from the Edyth Bush Charitable Foundation.
- ◆ Permanently restricted net assets---Net assets subject to donor-imposed stipulations that will be maintained permanently by the Organization. There were no permanently restricted net assets at September 30, 2007 and 2006.

Functional expenses are allocated between programs on the basis of specific identification, where possible, or management's best estimates.

(d) **Contributions**

Lighthouse Central Florida, Inc. accounts for contributions in accordance with the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards ("SFAS") No. 116, *Accounting for Contributions Received and Contributions Made*. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

(e) **Unconditional Promises to Give**

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Promises to give are recorded at net realizable value if expected to be collected within one year and at fair value if expected to be collected in more than one year. Conditional promises to give are recognized when the conditions on which they depend are substantially met. ## **SUPPLEMENTARY INFORMATION**

**Independent Auditors' Report on Internal Control Over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards***

To the Board of Directors  
Lighthouse Central Florida, Inc.

We have audited the financial statements of Lighthouse Central Florida, Inc. as of and for the year ended September 30, 2007, and have issued our report thereon dated November 27, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Lighthouse Central Florida, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we considered to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lighthouse Central Florida, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the finance committee, management, others within the organization and Federal, state and local awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**Independent Auditors' Report on Compliance with Requirements Applicable  
to Each Major Program and on Internal Control Over Compliance in  
Accordance with OMB Circular A-133**

To the Board of Directors  
Lighthouse Central Florida, Inc.:

Compliance

We have audited the compliance of Lighthouse Central Florida, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to its major federal programs for the years ended September 30, 2007 and 2006. Lighthouse Central Florida, Inc.'s major federal programs are identified in the summary of the auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major Federal programs is the responsibility of Lighthouse Central Florida, Inc.'s management. Our responsibility is to express an opinion on compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Government, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about Lighthouse Central Florida, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Lighthouse Central Florida, Inc.'s compliance with those requirements.

In our opinion, Lighthouse Central Florida, Inc. complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the years ended September 30, 2007 and 2006.

### Internal Control Over Compliance

The management of Lighthouse Central Florida, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Lighthouse Central Florida, Inc.'s internal control over compliance with requirements that could have a direct material effect on a major Federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major Federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operations that we consider to be material weaknesses.

This report is intended solely for the information and use of the Board of Directors, management, federal and state awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
